**TRANSMISSION OF
KNOWLEDGE,
CULTURES AND BELIEFS**

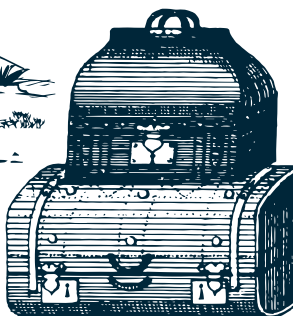

**A DIVERSITY OF
ROUTES AND CARGOS**

The Silk Road:

THE ROMANTIC PASTS OF
TRADE AND EXCHANGE

FIRST GLOBAL
TRADE ROUTE
IN HISTORY

ELIXIR OF LIFE **140**

Cloves Infused Johnnie Walker Black Label Whisky, homemade Palo Santo cordial, apple juice, candied baby apple

The 'spice route' made up a distance of over 15,000 km of the Silk Road. Many of the spices were believed to have medical and spiritual values and were made into potions to heal the soul and body.

ANCIENT HARVEST **140**

Absolut Vanilla Vodka, pomegranate vinegar, Casoni Alamea Pimento liqueur, Sauvignon Blanc, fig jam

New species of fruits were shaped with their origins lying in the movement of people along the Silk Road. Who knows if figs even existed a thousand years ago?

PORCELAIN WARRIOR **140**

Kurokoji Sakurajima Honkaku Shochu, Soju, Ming River Baijiu, Osmanthus honey cordial, Fever Tree Ginger Beer

The first large-scale interaction between the East and the West in the form of art. The scarcity of porcelain's unique substance made it one of the most wanted collector's items at the time.

EMPEROR'S CUP

140

Cold Brew Earl Grey Ballantine's Scotch Whisky, Tio Pepe, Absinthe, honey syrup, Vetiver tincture

Tea was another important commodity traded along the Silk Road. Myth had it that tea was first discovered when some fresh leaves were blown into a hot pot of water when the Emperor of China was consuming it and tasted its freshness.

SILKY ROAD

140

Hennessy VSOP Cognac, Makgeolli, Valdespino El Candado Pedro Ximenez Sherry, homemade almond milk, egg yolk

As precious as it could get, its production method was a fiercely guarded secret within China for over 3000 years, anyone who revealed the secret to the foreigners would be sentenced to death.

Fire your imagination and transport to far-away lands and times from east to west along the renown ancient trade route. Discover the cultural legacy that lives on today.

Food and drinks prepared here may contain milk, eggs, wheat, soy bean, peanuts, tree nuts, fish and shellfish. If you have a food allergy or special dietary requirement, please inform our staff before you order.

Sir Henry Pottinger

*Henry Pottinger was born
in County Down, Ireland,
in 1789.*

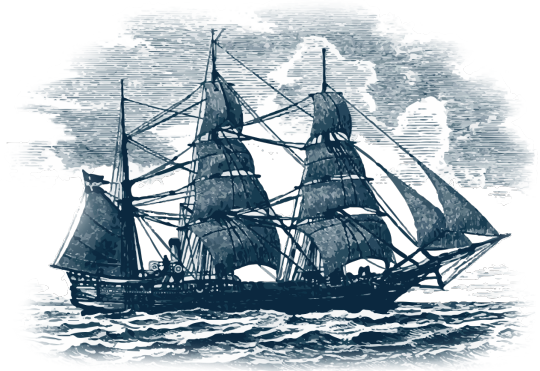

In 1804, he went to India to serve in the army and explored the lands between the Indus and Persia, travelling in disguise as a Muslim merchant and studying local languages, under the orders of Sir John Malcolm. In 1806, he joined the British East India Company and in 1809, he fought in the Mahratta war as a lieutenant then rising to the rank of colonel after his dangerous 1810 expedition from Nushki (Balochistan) to Isfahan (Central Persia).

He later became Resident Administrator of Sindh in 1820. Pottinger later held the same post in Hyderabad, and was created a baronet when he returned to England in 1839.

In 1841, he accepted Foreign Secretary Lord Palmerston's offer of the post of envoy and plenipotentiary in China and superintendent of British trade.

After Pottinger led a navy to defeat Yishan at Humen, he negotiated the terms of the Treaty of Nanking (1842), which ended the First Opium War and ceded Hong Kong Island to the United Kingdom. Pottinger became the second administrator of Hong Kong (1841–1843) and then the first Governor of Hong Kong (1843–1844).

Tsang, Steve. (2004).
A Modern History of Hong Kong.

Signature Cocktails

Most representative of The Envoy's colonial charm, a precious collection of most-loved cocktails since 2015.

DEWDROPS OF THE HEART

130

Pandan-redistilled vodka, Green Tea & Jasmine double strength tea, homemade pandan syrup, carbonated in a Perlini shaker

In Charles Dickens "David Copperfield", he muses, "Are tears the dewdrops of the heart?" Our imagination brings us to a morning field of green blades, with pearls of dew clinging onto the tips, sparkling in the light.

WATERFALLS

130

Thyme-infused Absolut Elyx vodka, elderflower cordial, homemade thyme syrup, yuzu juice, soda water

Peel away the lush foliage and step into the refreshing thunders of tall water falling from above. Grab a hanging vine and swing yourselves into a splash!

STRANGER FRUIT

130

Coriander-redistilled gin, passion fruit purée, simple syrup, egg white, Angostura aromatic bitters, seven spice powder

It's a jungle out there, they say. But with this delicious combination of unusual suspects, you might just find yourself enjoying all the stranger things.

PEPPER POTTS

140

Pink peppercorn-redistilled gin, Hendrick's gin, lemon juice, rose, pomegranate, champagne

Every rose has its thorn, and here is one for the beautiful woman with a bite, also honouring every woman behind her (iron)man.

TIKI CANDY

130

Clarified pineapple juice slow-cooked with star anise, Havana 3 Years rum infused with classic Yan Chim Kee coconut candy, mint leaves, lime juice, ginger beer

Summer storms are possibly the most glorious exhibits of nature. Silky smooth pineapple and toasty coconuts make a perfect match in this nostalgic combination.

EARLY BIRD

140

Absolut Elyx vodka, pineapple juice, passion fruit purée, lemon juice, French vanilla syrup, Angostura aromatic bitters

They say, the early bird catches the worm. Rise and shine with a fruity creation in sunny yellow to brighten up your day.

CRIMSON SUNBIRD

140

Ballantine's whisky, smoked plum, homemade rosemary & hibiscus cordial, apple juice, lemon juice

This little guy in tropical Southern Asia feeds largely on nectar, most notable with its chin and breast in a striking scarlet red.

DINOSAUR

130

Vodka, Godiva chocolate liqueur, fresh milk, Milo ice ball, a heap of Milo powder

A typical tea time favourite, the sticky chewy texture of Milo powder and homemade ice ball is difficult to resist.

COLONIAL SLING

140

Earl Grey slow-cooked gin, D.O.M. Benedictine, Cherry Heering, Cointreau, pineapple juice, lime juice, grenadine syrup, Angostura aromatic bitters, seltzer

Adding an English touch to the classic Singapore Sling, we play with tea, of course. And it can be none other than a classic Earl Grey.

MURDER ON THE ORIENT EXPRESS

140

Pink peppercorn gin, homemade spiced tomato mix
with Asian elements

The usual suspects are brought together with a slice of ginger, Chinese sweet dark vinegar, gin, and tomato juice. Inspired by the 1934 American pre-Code drama film based on a novel — by Graham Greene.

THE LION & THE JACKAL

160

Part I

Grand Marnier, Pernod, blood orange purée, lime juice, lemon juice,
egg white, homemade ginger cordial, orange twist

Part II

Cold brew Earl Grey tea infused Ballantine's whisky,
Talisker 10 Years whisky, honey, soda water

Name a more iconic duo than "the lion and the jackal" in A Tale of Two Cities by Charles Dickens — here's a two-part cocktail, where they are good enough to drink on its own but better as a duo.

DOES IT BURN

150

Michter's bourbon, mezcal, Aperol, Earl Grey & red apple syrup,
Dr. Adam Elmegirab's Teapot bitters, bourbon barrel smoke

The power of fire is both a blessing and a curse to the jungle. Immerse yourself in sweet smoke and tell us what you see in the amber depths of the flame...

THE GOVERNOR

150

Ruby port, Carpano Classico, Havana 3 Years rum, apricot liqueur

Created as a tribute to Sir Henry Pottinger — the first Governor of Hong Kong. With the many ships that passed through our port, it is believed that the Spanish brought them many fine vintages of port wine.

Barrel-Aged Selection

B.A. MAI TAI

160

Barrel-aged Havana 3 Years rum, Havana 7 Years rum slow-cooked with ginger, dry orange curaçao, orgeat syrup, lime cordial

For some of us, something about the Mai Tai takes us straight to the beach complete with the sand between our toes and the sound of crashing waves in the background. We've conserved the essence of your summer getaway in a barrel for your year-round enjoyment.

B.A. NEGRONI

160

House-blended gin, Carpano Classico, Campari, Cynar

Why barrel-aged? Why, if it isn't to get: an infusion of vanillin, oxidation for nuttiness, and extraction from the wood that softens the entire mouthfeel of this wonderful drink. Served with a piece of charred barrel wood chip.

The Envoy Classics

Among the thousands of unwavering and timeless classic cocktails out there, here are a selection of The Envoy's favourites.

DOUBLE ESPRESSO MARTINI

140

Vanilla vodka slow-cooked with coffee beans,
Kahlua, double espresso

*Created by Dick Bradsell and adapted from the “Vodka Espresso”,
this quintessential pick-me-up has earned its way into the classic cocktail hall of fame.*

GIMLET

130

Gin, homemade lime cordial

*A two-ingredient cocktail recipe that tastes divine,
steeped in a rich British naval history.*

MOSCOW MULE

130

Vodka, fresh lime juice, Fever-Tree ginger beer,
Domaine de Canton

*Served delightfully fizzy over an ice-cold copper mug, a restorative choice on hot
summer days since first created in the 1940s — in America rather than in Russia.*

LA PALOMA

130

Tequila reposado, grapefruit juice, agave syrup, fresh lime

*Spanish for “dove” this cocktail was created by the legendary Don Javier
Delgado Corona, owner/bartender of La Capilla (The Chapel).*

PIÑA COLADA

130

Havana 3 Years rum, Malibu, Yan Chim Kee coconut milk,
pineapple juice, fresh lime juice

*The first written reference to this tropical classic appeared on a
magazine dated December 1922, and here with a nice, sturdy shake.*

PISCO SOUR

130

Santiago Queirolo Quebranta pisco, fresh lime juice, fresh lemon juice, egg white, simple syrup

Chile and Peru claim fiercely over the cocktail's origin (and that of pisco, too) but none would argue how delicious and refreshing it is! Nutty and fragrant, with a silky texture and a nice frothy head.

PEGU CLUB

140

Botanist gin, Cointreau, lime juice, Angostura aromatic bitters, orange bitters

Signature drink of Burma's Pegu Club, the club was named after the Pegu, a Burmese river. Though the club fell into disrepair the drink enjoyed a resurgence in the early days of the cocktail revival and was chosen as the name and signature drink of one of New York City's premier bars.

SAZERAC

140

Bulleit rye, Remy Martin VSOP, Pernod absinthe, simple syrup, Peychaud's bitters, Angostura aromatic bitters, served with a lemon twist

Antoine Peychaud named this drink after his favourite French brandy, Sazerac-de-Forge et fils, in 1833. In 1873, American Rye whiskey substituted cognac, and a dash of absinthe was added.

BLOOD & SAND

140

Chivas 12 Year Old, Cherry Heering, Carpano Classico, orange juice

One prominent leading lady of a legendary cinematic era, Lila Lee gave life to the character of Rudolph Valentino's on-screen wife Carmen, in the 1922 release of "Blood and Sand".

SIDECAR

140

Remy Martin VSOP, Cointreau, lemon juice

Invented in Paris during World War I, and named after the motorcycle sidecar, brandy has never been more fashionable over the years.

Spiritfree Cocktails

'I am actively championing for non-alcoholic cocktails to become a part of more beverage programs. In this pursuit, I am also hoping that we can all move away from the somewhat negative term "mocktail," to a name that signifies a concoction as complex as any alcoholic drink.'

— Julia Momose —
"Spiritfree: a Manifesto"

MORNING DEW

100

Green Tea & Jasmine double strength tea, homemade pandan syrup, carbonated in a Perlini shaker

Like pearls of dew clinging onto the tips of long blades of grass, sparkling in the light.

FRESH WATER

100

Elderflower cordial, homemade thyme syrup, yuzu juice, soda water

Grab a hanging vine and swing yourselves into the splash!

BABY SUNBIRD

100

Apple juice, homemade rosemary & hibiscus cordial, smoked plum, lemon juice

This tiny little bird in tropical Southern Asia feeds largely on nectar, most notable with its chin and breast in a striking scarlet red.

DINOSAUR ROAR

100

Milo ice ball, secret recipe malted chocolate milk, and a generous heap of Milo powder

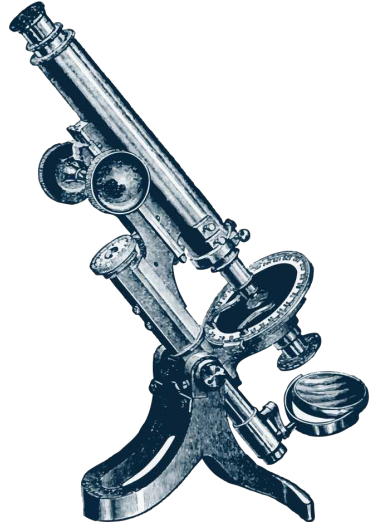

The sticky chewy texture of Milo powder and homemade ice ball proves too difficult to resist.

LA PALOMA GRATA

100

Grapefruit juice, agave syrup, fresh lime

Spanish for "dove", this spiritfree cocktail remains your friend and confidant at any time.
